

FAITHFUL DOG GUARDS LOST KIDDIES AS THEY SLEEP IN A DOORWAY

Barks When Police Try to
Separate Them, and at Last
Goes to Bed With Boys.

A black and tan dog, head a prisoner in a cell at the East Twenty-second Street Police Station, is very much distressed because he doesn't know what has become of the boys.

BREAK A CHILD'S COLD BY GIVING SYRUP OF FIGS

Look, Mother! Is tongue
coated, breath feverish
and stomach sour?

Cleanse the little liver and
bowels and they get
well quickly.

When your child suffers from a cold don't wait; give the little stomach, liver and bowels a gentle, thorough cleansing at once. When croup, cough, flatness, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

If your child coughs, snuffles and has caught cold or is feverish or has a sore throat give a good dose of "California Syrup of Figs" to evacuate the bowels, no difference what other treatment is given.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given to-day saves a sick child to-morrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company," Adv.

small boys when he guarded faithfully as they huddled in a doorway after wandering away from their last meeting.

The boys are seven-year-old Tony Romano and his five-year-old brother, Stephen. They don't know where they live or how they got to Fifth Avenue and Broadway Street, where a policeman found them at midnight, crying, sleepy and hungry.

The policeman took the two youngsters to the East Eighth-street Street Station, where they were given coffee and sandwiches.

"My father's name is Tony, just like mine, and my mother's name is Mary," the elder boy said. "I go to a school, but I don't know what school or where."

They were taken in a patrol wagon to the Children's Society and started off to bed, but when an attempt was made to separate the boys and the dog the boys wailed and the dog showed his teeth and growled. They were all put to bed together. The dog going to sleep with the boys, his head on a pillow beside them.

As soon as the dog was asleep, however, he was whisked into a covered basket and carried to the police station.

Tony Romano wore a skull cap, a red sweater and khaki trousers. Stephen wore a white and black romper suit and a gray overcoat with a velvet collar. There were no markings on the clothes.

BOY DYING AFTER ASSAULT.

Young McLaughlin, It Is Believed,
Was Struck With Iron Bar.

David McLaughlin, fifteen years old, of No. 124 Lagoon Street, Williamsburg, was taken from his home early to-day to Williamsburg Hospital in a dying condition. At the same time the police sent out a general alarm for a young Italian who had assaulted him with an iron bar yesterday afternoon in a factory at No. 232 Tenth Place, Brooklyn.

Several youths who work in the factory brought young McLaughlin to his home after he had been assaulted. They said he had been brushed against the Italian and the man struck him with the iron bar.

It was not thought by the boy's relatives that his injuries were serious until he was heard groaning after midnight. An ambulance was summoned and the surgeon who came with it found the boy was suffering from concussion of the brain, internal injuries, lacerations of the head and a fractured nose.

BRIDGE TROLLEY TIE-UPS.

A feed wire burned out in a conduit at the Brooklyn side of the Manhattan Bridge at 7:15 o'clock this morning and trolley traffic bound from Manhattan to Brooklyn was tied up for about two hours. There was no interference with power on the Manhattan bound tracks on the north side of the bridge and a shuttle service was maintained.

Congestion at the bridge terminals was prevented by signal men at the various transfer points, who informed passengers of the bridge block. They were then able to transfer for lines to one of the other bridges or the subway. Because of the holiday the crowd was much less than usual, but it was estimated that between ten and fifteen thousand people were kept late in getting to business because of the accident.

Killed by Elevated Train.

Martin Carroll of No. 409 East One Hundred and Thirty-sixth Street, a guard of the Second Avenue elevated railroad, was struck by a southbound train of which Richard Vaughn of No. 231 East Kingsbridge Road was the motorman, while crossing the tracks at the One Hundred and Eleventh Street station to-day and instantly killed. In the block of tracks following the accident William Kachab, a tailor, of No. 829 East One Hundred and Sixty-first Street, tried to move from a train to the train ahead and fell to the tracks, seriously injuring his knee. He was taken to Harlem Hospital.

FOUR HURT IN CAR CRASH.

Northbound Cars in Collision at
Clinton and Madison Streets.

Four persons were slightly injured this morning when two northbound street cars met in rear-end collision at Clinton and Madison Streets. The four were Harry Barnhart, thirty, of No. 81 Suffolk Street, Bayview Colony, forty-two, of No. 385 Fourth Street, Brooklyn; Max Goldburg, twenty-five, of No. 31 Madison Street, and Celia Hark, seventeen, of No. 111 Columbia Street. All went to their homes after the collision.

PUT STOMACH IN ORDER AND STOP GAS INDIGESTION

"Pape's Diapiesin" regulates
disordered stomachs
in five minutes.

No more dyspepsia, sourness,
heartburn, pain, belching,
or acidity.

Nothing will remain undigested or sour on your stomach if you will take a little Diapiesin occasionally. This powerful digestive and antacid, though as harmless and pleasant as candy, will digest and prepare for assimilation into the blood all the food you can eat.

Just what your stomach craves without the slightest fear of indigestion or that you will be bothered with acidity or sour risings, belching, gas on stomach, heartburn, headaches from stomach, nausea, bad breath, water brash or a feeling like you had swallowed a lump of lead, or other disagreeable humors. Should you be suffering now from any stomach disorder you can get relief within five minutes.

If you get from your pharmacist a different case of Pape's Diapiesin you could always go to the table with hearty appetite, and your meals would taste good, because you would know there would be no indigestion or sleepless nights or headache or stomach misery all the next day, and, besides, you would not need laxatives or liver pills to keep your stomach and bowels clean and fresh.

Pape's Diapiesin can be obtained from your druggist, and contains more than sufficient to thoroughly overcome the worst case of indigestion or dyspepsia. There is nothing better for gas on the stomach or sour colors from the stomach or to cure a stomach headache.

You couldn't keep a handier or more useful article in the house.—Adv.

Comparisons Are NOT Odious

Shakespeare might have
been right in the matter
of comparisons between
persons, but his axiom
certainly does not hold
true about merchandise.

Comparison is the only
real test of value. With-
out comparison how can
one be sure of latest
style, best service and
fairest price?

This store invites the
broadest, most thorough
comparison between its
offerings and those of
other stores.

Not as a matter of senti-
ment or pride, but as a
service to the public, be-
cause everywhere and
anywhere Macy's can
stand the test.
